Runxiang Machinery Equipment Co.,Limited

Register No. 60323-252-000-17

From :Ms.Grace

Quotation for Apple Pitting machine

- (1) The apple core-removing machine adopts a high degree of automation, the mold conveyor belt is manually placed into the material, and the automatic feeding device is used for conveying and nucleating. The fruit can be separated on the template to complete the nuclear meat separation effect, and the continuous uninterrupted Work has completely solved the difficulty of manual nuclear removal, low labor, and time-consuming.
- (2) The structure of the core removal machine is made of 304 stainless steel thick-walled square tube and channel steel, which makes the equipment more stable during start-up operation. All parts are assembled by bolts, which makes the equipment more convenient during operation and maintenance. Fast.
- (3) The raw materials of the equipment are made of high quality 304 stainless steel, which fully conforms to the sanitary standard of food processing equipment. The conveyor belt adopts imported polyurethane material, which is anti-wear, tensile and tear resistant, and has a long service life.

Quality, price, time and service is the tenet of our business.

Credit, reposal, negotiation and cooperation is our standard.

Specification

Name	Apple/Pear core removing machine
Material	304 Stainless Steel
Power	1.87kw
Voltage	380V
Yield of finished products	100%
Capacity	9000pcs/hour
Dimension	3000*1280*1410mm
Weight	760kg
Control system	PLC Microcomputer Control System

Remarks:

I.Delivery time: 15-20 working days after receiving clients' prepayment.

II.Payment term: 50% as prepayment by T/T, the balance of 50% should be paid before seller send the machine.

III. Valid time: This quotation is valid for one month.

IV .Quality Guarantee Terms:

Quality guarantee term is for one year. Malfunctions which are caused by machine-self and quality will be responsible for our manufacturer. Other malfunctions which are caused by operation mistakes, man-made problems, etc will be responsible for clients-self.

V. Contact details:

Quality, price, time and service is the tenet of our business.
